

Dear Ms. Celia,

I want you to know how happy we are with the puppy we bought from you last month. Jasper is just perfect! Sweet temperament, happy, smart, healthy and a ball of energy! I know that he was the last puppy to be sold from the litter, but he is certainly a first-choice little guy! The rest of the litter must have been just awesome! When we picked him up at the airport, we still had a 3-hour ride home. He was an angel through all the travel. Jasper quickly fell into the rhythm of our household and has captured our hearts. We kept the name you had given him, Jasper, and he answered to it right from the start!

Thank you for making the purchase experience so pleasant! I am a little embarrassed that we never actually spoke by phone, and that all of our arrangements were made by e-mail. From your website, I could tell that you put love and care into the breeding of all your animals. The videos and photos you posted of the puppies over time, and of them playing, helped us make our decision to buy from you.

Though it may be easier to sell puppies locally, I am grateful that you were willing to send him across the country to us. After our first Entlebucher passed on, we were sure this was the breed we wanted to have again. Thank you, thank you!

**I am attaching some photos and a video.
Blessings to you all, Marlene**
